IHBC Marsh Award for Successful Learning in Heritage Skills

Deadline for submissions: March 31 each year

Please complete sections 1 – 4 below and list any extra evidential material supplied.
Forms are expected to be no more than 2 pages in length.

1. Name of person you are nominating	
Their contact details	
We will contact the nominee as required, but have they agreed to the nomination?	

These awards recognise the exceptional new skills or proficiencies that individuals have acquired which contribute to our rich built environment. The awards have been created to ensure the availability of skills and to enable the passing on of skills from one generation to another.

Criteria:

- The individual must have attained a recognised level of proficiency.
- There must be sufficient distinct evidence that the achievement is the individual's, rather than that of teacher or team.
- Command of the skill must have been demonstrated for at least 6 months.

2. Main location where individual has made their contribution
